In the Matter of

THE APPLICATION OF SALT RIVER)

CORPORATION FOR AN ORDER)
AUTHORIZING IT TO ADJUST ITS)
RETAIL ELECTRIC RATES)

CASE NO. 8778

O R D E R

On March 15, 1983, Salt River Rural Electric Cooperative Corporation ("Salt River"), by counsel, filed its Motion to Deviate from the Commission's Standard Regulations on Rate Application Notice.

807 KAR 5:011, Section 8(b), referring to the date the application is filed, states, in part, that notice "shall be published by such date in a trade publication or newsletter going to all customers".

Salt River states that it may not know its exact proposed rates in time to publish them in its newsletter, the "Co-Amp News", before the actual filing of the proposed application and requests that the Commission, pursuant to 807 KAR 5:011, Section 13, authorize it to deviate from the above regulation and authorize the publication of its notice within 10 days of the filing of its application.

The Commission, having considered the Motion and being advised, is of the opinion and finds that for good cause shown Salt River should be granted a deviation from 807 KAR 5:011, Section 8(b).

IT IS THEREFORE ORDERED That the Motion of Salt River be
and it hereby is sustained.

Done at Frankfort, Kentucky, this 16th day of March, 1983.
